- \* Skate! Join us on the ice for a few minutes after you have finished teaching (see below).

### **FSCC Home Club Professional Member Benefits**

All of the above, plus:

- \* U. S. Figure Skating membership (as of 2008, rule book pages are included with coach registration)
- \* Priority consideration for off-discipline lesson requests, when openings available.

---

### **FSCC Pro Policies**

#### Teaching Privileges

The following requirements must be met by any Pro wishing to teach on FSCC ice:

- US Figure Skating "Green Light" / Coach Registration Card (issued via USFS Coach Registration Process).
- Provide a copy of your liability insurance, minimum limits of \$1 Million per incident/\$5 Million aggregate, **listing FSCC as a certificate holder** (certificate holder clause to be enforced as of the 2008-2009 season).
- Join FSCC as a Professional Member.
- (optional) provide a Web Profile.

Professionals are expected to familiarize themselves with and follow:

1. U. S. Figure Skating and PSA Codes of Ethics (copies available upon request)
2. FSCC Ice Rules and Etiquette guidelines (copy available upon request)

#### Private Lessons

Lessons may be given during any regular FSCC session. FSCC does not charge commissions or charge for your ice time while you are teaching (note: students must purchase ice time). FSCC Pros are independent contractors, therefore each Pro should arrange lesson schedules, payment, and other details directly with each student; the club does not get involved.

#### Off-discipline lessons

To ensure safety, a maximum of two off-discipline lessons is permitted at any time. If you wish to teach dance on freestyle ice or freestyle on dance ice, an off-discipline lesson request form is required. Off-discipline lesson requests are considered in the order received. Preference may be given to requests from "home club" Pros when an opening is available.

#### Skate!

When was the last time you skated for fun? FSCC has lots of adult skaters, so you will fit right in! Pros are invited to skate on club sessions as space/safety allows. You may skate for up to ½ the time you taught that session at no charge.

#### Pro Meeting (Fall)

A Pro meeting will be held at the beginning of each season to exchange information and ideas about the club. Understand the club's membership options, discuss ice priority and etiquette guidelines, get the latest test and competition schedules, provide input to group lesson plans, and more!
