Adult Special Achievement Awards: U.S. Figure Skating Adult Special Achievement Awards are pins given to adult athletes in IJS-judged qualifying events to encourage and reward high-quality elements, performances and skating. Pins are awarded in championship singles events at the adult sectional championships and championship pairs and dance

events at the U.S. Adult Championships. Details are available here – [Adult Special Achievement Awards](#).

REGISTRATION (OPENS Dec. 15, 2016)

A. METHOD

Online electronic registration (Required)

Online registration via www.usfsaonline.org is the ONLY method available for entry into the qualifying (championship) events at the 2017 adult sectional championships and **all** events at the 2017 U.S. Adult Figure Skating Championships.

To enter into the 2017 adult qualifying competition season, proceed in the following manner:

- Log on to www.usfsaonline.org.
- Input your username and password.
 - Your username is your U.S. Figure Skating membership number.
 - If you do not already have a password, go to www.usfsaonline.org first and follow the online instructions.

Registration for all nonqualifying events at the adult sectional championships will be completed directly through the Local Organizing Committee. A separate announcement specifically for the nonqualifying event will be posted by the local organizing committee. Refer to the local information for instructions on how to register for the nonqualifying events.

If you experience difficulty with online registration for qualifying events, please call the U.S. Figure

Skating main number at 719.635.5200, or e-mail U.S. Figure Skating member services at memberservices@usfigureskating.org.

B. DEADLINES

The entry deadline for the 2017 adult sectional championships is **11:59 p.m., Feb. 1, 2017**.

The entry deadline for the 2017 U.S. Adult Championships is **11:59 p.m., Feb. 1, 2017**.

NO REGISTRATIONS WILL BE ACCEPTED AFTER THIS DEADLINE. NO EXCEPTIONS.

Age requirements for the U.S. Adult Championships and adult sectional championships must be met by **Feb. 1, 2017**.

Test requirements must also be met by **Feb. 1, 2017**. Provisional entries based on passing a test after the closing date of entries will not be accepted. Please refer to U.S. Figure Skating Rules 2421, 2422 and 2423 for further testing information and guidelines. Skaters may NOT test the next higher level after the close of entries.

C. ELIGIBILITY

This event is open for participation to all eligible competitors who are members in good standing of U.S. Figure Skating per rule 2212. For **championship** events at the U.S. Adult Championships and adult sectional championships, non-U.S. citizens must meet the requirements of rule 2243. "Non-U.S. Citizen Application to Compete" and supporting documentation must be submitted to the Chair of the Competitions Committee no later than Jan. 1, 2017. Forms are available on www.usfsaonline.org within step one of registration. Those entering nonqualifying events at adult sectionals and the U.S. Adult Championships are not subject to Rule 2241, but fall under rule 2212, which states that they must be legal residents of the U.S. and meet all other test, age and membership qualifications. Non-U.S. citizens entering nonqualifying events need only fill in the appropriate boxes on the nonqualifying entry form.

Skaters may not enter an adult level at a qualifying competition (adult sectionals/U.S. Adult Championships) and a standard level at a qualifying competition (regionals/sectionals/U.S. Championships) in the same kind of event, in the same competition season and vice versa. For example, a skater may not enter novice men free skate on the standard track and masters free skate on the adult track in the same season, but may enter novice men free skate on the standard track and masters pairs on the adult track.

Age and [test qualifications](#) as of entry deadline date will determine event eligibility and classification for all. Tests passed after close of entries and prior to the event will disqualify skaters if test exceeds maximum requirement for the event entered in this competition.

Skaters may compete in as many disciplines as qualified by test level but may compete in only one event per discipline (maximum total of four events). As an exception, a competitor who qualifies to enter a championship event through their adult sectional championships may also enter a nonqualifying event in the same discipline so long as they do not exceed the four event limit.

D. AGE CATEGORIES

Per rule 2552, there shall be age categories for all singles free skate, dramatic skate and light entertainment skate events (does not include pair/partnered or solo dance events). For the 2016-2017 competitive season, the age categories at the U.S. Adult Championships are as follows:

Class I:	21 years through 35 years
Class II:	36 years through 45 years
Class III:	46 years through 55 years
Class IV:	56 years through 65 years
Class V:	66 years and over

All age classes will be combined in championship events at the adult sectional championships.

At the chief referee's discretion, age class events with fewer than six entries may be combined, after consultation with the national vice chair for adult competitions and the chair of the competitions committee.

Events with two skaters MAY be combined with the closest appropriate group and/or level if a skater withdraws from the event during the conduct of the competition. This ensures that the remaining skater has an event in which to compete.

Proof of age is required for all events. Acceptable forms of documentation include birth certificate, passport or similar proof. The LOC reserves the right to require additional information.

E. BYES

No medical byes will be considered. There will be no byes to the U.S. Adult Figure Skating Championships.

F. FOUR OR FEWER

When there are four or fewer competitors in an adult sectional qualifying event (championship masters junior-senior free skate, championship masters intermediate-novice free skate, championship adult gold free skate, championship adult silver free skate, championship masters pairs, championship adult dance), competitors may progress directly to the U.S. Adult Championships (if indicated at time of registration, see below). If there is only one competitor or team in an event, that person/team moves directly to the U.S. Adult Championships. See rule 2544. If, at the close of entries, there are four or fewer competitors registered for a qualifying event at an adult sectional championship, additional competitors from the same qualifying event in other sections shall be permitted to enter the U.S. Adult Championships to bring the number of competitors up to a maximum of 12 (or more if ties make it necessary). See rule 2544.

Competitors must state during the online registration process whether they will skate in their event at adult sectionals if there are four or fewer within their section or 12 or fewer in all sections combined. **The statement is binding.**

G. ENTRY FEES

All competitors entering the 2017 adult qualifying competition season must submit payment of the appropriate entry fee (amounts listed below) to U.S. Figure Skating. All competitors are required to pay both the entry fee into the qualifying competition season (for each event entered) and the administrative fee. All fees are nonrefundable.

2017 Adult Qualifying Competition Season Entry Fees

Entry Fee	Level/Discipline
\$175	Championship Events at Adult Sectional Championships
\$160	First Single Event at U.S. Adult Championships
\$160	First Dance Event per team (\$80 per individual) at U.S. Adult Championships
\$160	First Pairs Event per team (\$80 per individual) at U.S. Adult Championships
\$145	Each subsequent singles event at U.S. Adult Championships
\$10	Competition Administrative fee (All transactions subject to administrative fee)

U.S. Adult Championships Entry Fees

Those competitors advancing in the championship events from the three sectional championships will not have to submit an additional entry fee to compete in the same event at the 2017 U.S. Adult Championships. However, the championship events are not considered the "first singles event." Therefore, those wishing to enter another event must pay the "first singles event" fee. For example, if you want to enter adult gold free skate and masters dramatic at the U.S. Adult Championships, you would pay \$160 for the first singles event and \$145 for the subsequent singles event – a total of \$315, including the \$10 administrative fee. If you enter a nonqualifying couples dance event and wish to also enter a solo dance event, you would also pay \$315 (\$160 for the first dance event, \$145 for the subsequent singles event plus the \$10 administrative fee). Additional pair/dance events would be an additional \$145 for each event; subsequent singles events would be \$145 per event.

Once entries have closed, entry fees are only refundable if the competition is not held. There are no refunds for medical withdrawals. The chief referee reserves the right to combine, divide or cancel an event when necessary.

Your registration is not valid until all appropriate entry and administrative fees have been paid and all required forms have been completed online to U.S. Figure Skating. Please note, if payment has not successfully settled (NSF) by Feb. 10, 2017, the skater will be withdrawn from the 2017 Adult Qualifying Season.

H. PAYMENT

Online payment via credit card is the ONLY accepted form of payment. Once entries have closed, there are no refunds or entry fees. Once entered, all withdrawals are considered final. A competitor may not re-enter even if the withdrawal occurs prior to the entry deadline of Feb. 1, 2017.

*If you need to withdraw, you must send an email to Brett Mueller at bmueller@usfigureskating.org, with your name, U.S. Figure Skating membership number, event(s) in which you are entered and the competition from which you wish to withdraw.

At the U.S. Adult Figure Skating Championships, IJS will be used for the following events: all championship events (except championship adult silver), adult gold free skate, all masters-level free skate, masters pairs, adult gold pairs, and pre-gold partnered dance and higher. Light entertainment and dramatic entertainment events will be judged as specified in the nonqualifying competition showcase guidelines, posted on <http://www.usfsa.org/content/16-17%20Showcase%20Guidelines.pdf>. All other nonqualifying events and championship adult silver will be judged using the 6.0 judging system.

PRACTICE ICE

There are two (2) types of practice ice. Please be aware of the differences.

1. **"Official" practice** (for skaters in Qualifying events only) - \$20.00 for 25-minute session
 - Practice ice for skaters in qualifying (aka "Championship") events. Each skater registered for a Championship event is allowed to purchase one official practice-ice session. **The official practice-ice session is not included in registration costs.** Skaters will be scheduled into an official practice session by the chief referee – you will not choose your time. The skater's music will be played in its entirety during an official practice-ice session. The sessions will be leveled (e.g. Silver skaters will skate with Silver skaters, etc).
 - If the official practice-ice session is not filled (e.g. there are 15 spots available and only five register), the remaining spots will be made available for other skaters to register as unofficial practice ice.
2. **"Unofficial" practice** - \$15.00 for 25-minute session if pre-purchased online, or \$20 walk-on
 - Practice ice for skaters in any event. No music will be played for skaters purchasing these sessions. These sessions may be purchased online. You will receive an email with a PIN in order to access your account. From your account, you can select available practice-ice times. Skaters may also purchase these sessions at the registration desk during the competition for \$20.00 per session. Each skater may register for two practice-ice sessions per event.
